MEM Student Enrollment Agreement

The percentage of the credit hours attempted is determined by dividing the total number of credit hours elapsed from the student's start date to the student's last day of attendance, by the total number of credit hours in the program.

For students enrolled in two or more courses that award program credit hours, Richmindale College treats each course separately for the purposes of calculating the appropriate amount of tuition refund owed to the student.

(e) Books, Supplies and Fees

Books, materials, software licenses, library services, and other supplies required for course completion are not provided by the school and are not the responsibility of the school. They are the responsibility of the students to purchase separately. Fees related to these items may be paid directly to outside vendors chosen by the students. Richmindale College is not responsible for and does not provide refunds related to these items. Refunds and related fees of these items are subject to the outside vendor policies and agreements with the student.

(f) Refund Issuance Schedule

Refunds will be issued within 30 days of the date of student notification, or date of school determination (withdrawn due to absences or other criteria as specified in the school catalog), or in the case of a student not returning from an authorized Leave of Absence (LOA), within 30 days of the date the student was scheduled to return from the LOA and did not return.

(g) Refund Examples

Richmond enrolled in a degree program of Richmindale College and signed the enrollment agreement on July 1. Richmond enrolled in three 3-credit classes for the first semester that will start on September 1 for a total cost of \$795 for the semester. Based on the terms of payment, Richmond paid the Registration Fee of \$75 and the first monthly payment (payment 1 of 4) of \$180, a total of \$255 upon enrollment. Since one of the classes requires a software license, Richmond purchased the software license worth \$200^[1] from an outside vendor. Richmond spent a total amount of \$455.

Refund Example 1:

Three-Day Cancellation

On July 3, Richmond decided to cancel/withdraw and sent an official notification through email to students@richmindale.com on the same day. Since Richmond officially withdrew on July 3 which is within 3 days from the signing of enrollment agreement, Richmindale College shall refund Richmond all monies paid amounting to \$255^[1] within 30 calendar days (by August 2).

Refund Example 2:

Five Calendar Days Cancellation (after signing enrollment agreement)

Richmond decided to cancel/withdraw. On July 5, Richmond completed the Request for Refund Form, signed the form, and mailed the form to the Richmindale College office at 2222 S. Dobson Rd, Suite 401, Mesa, Arizona 85202, USA. The mail took 7 calendar days to reach Richmindale's office; Richmindale College received the mail on July 12. enrollment agreement, Richmindale College shall refund Richmond all monies paid amounting to \$255^[1] within 30 days (by August 4).

Refund Example 3:

More than Five Calendar Days Cancellation (after signing enrollment agreement)

On July 7 (assuming no official holidays from July 1), Richmond decided to cancel/withdraw and sent a notification email to *students@richmindale.com*. Based on this refund policy, Richmond is entitled to a refund of all monies paid minus an application for transfer credit evaluation fee of up to \$75 if applicable; and a one-time registration fee of \$75 per program. In this case, Richmindale College shall refund Richmond the amount based on the following calculation:

Description	Amount	Notes
Total initial payment	\$ 255	<i>Excluding \$200^[1] for software license.</i>
LESS: Registration fee	- \$ 75	
NET REFUND AMOUNT	\$ 180	<i>Payable within 30 calendar days.</i>

Refund Example 4:

Refund After the Commencement of Classes

On September 30, Richmond paid the second monthly payment (payment 2 of 4) of \$180 based on the terms of payment. On October 5, during week 5 of classes from September 1, Richmond decided to cancel/withdraw and sent a notification email to *students@richmindale.com*. Based on this refund policy, Richmond is entitled to a refund based on the following calculation:

Credit hours elapsed = Number of weeks x 3 credit hours* = 5 x 3 = **15**
Total credit hours = Program total weeks x 3 credit hours* = 15 x 3 = **45**
% Credit hours attempted = 100 x Credit hours elapsed ÷ Total credit hours = 100 x 15 ÷ 45 = **33%**

REFUND for 33% credit hours attempted = **60%** (see Table 1 in item (d) of this section)
